## 4 reasons why....

You're going to love this great-tasting water!

1  
one

ocean sourced,  
with naturally  
occurring minerals  
& electrolytes

clean  
energy

2  
two

purified with  
solar thermal  
energy saving  
CO2 emissions

3  
three

bottled in  
biodegradable  
& recyclable  
bottles, BPA free

4  
four

made locally for  
freshness and a  
lower carbon  
footprint
